

Everybody's Talkin' (ESP 1092) Elmer Sheffield

OPENER

Circle left

Everybody's talkin' at me, I can't hear a word they're saying
The men star right go once around the ring
Left allemande and weave the ring People stop and stare
Swing the girl and promenade the square
It's only the shadow of their eyes

FIGURE

Well now the heads square thru and count em four hands around go
Find that corber do a dosado
Swing thru, boys run right and tag the line
Face to the right, Do a wheel and deal tonight
Touch a quarter, Scoot back and go now
Swing that corner promenade along
It's only the echos of my mind

MIDDLE - CLOSER

Sides face grand square
I'm going where the sun keeps shining through the pouring rain
Going where the weather suits my clothes
Ladies chain over and back
Banking off of the Northeast wind
You promenade your girl
Skipping over the ocean like a stone
