

Green Green Grass Of Home (ESP 1110) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

*The old hometown looked the same
As I stepped down from the train
There to meet me was my mama and papa

Left allemande the corner lady

Turn your partner by the right

Men star left, roll it round

Turn your partner by the right, go **left allemande**

Swing and you **promenade** the floor

**They'll all come to meet me, arms reaching smiling sweetly
It's good to touch the green, green grass of home

FIGURE Plus, corner progression

Heads (sides) square thru four hands you go

Dosado that corner lady

Swing thru and now **men trade** and **men run**

1/2 tag the line, then **walk and dodge**

Chase to the right, then **swing** the corner lady

Promenade around the floor

They'll all come to see me, arms reaching smiling sweetly
It's good to touch the green, green grass of home

ALTERNATE LYRICS

*The old house is still standin'
Though the paint is cracked and dry
There's the old oak tree that I used to play on

*Then I awoke and looked around me
At the four grey walls that surround me
And I realize, yes, I was only dreamin'

**They'll all come to meet me, arms reaching smiling sweetly
As they lay me 'neath the green, green grass of home
