

That's How Country Boso Roll ESP 1120 Elemer Sheffield Jr

OPENER

Circle left.

Well, they wake up in the morning and

They drink their coffee black.

Left allemande the corner lady, turn a right hand round your baby.

Now the men star left like that.

Come on now, turn your partner right, and you go left allemande.

Swing and promenade along.

Well, that's how country boys roll.

FIGURE

The heads [sides] flutterwheel and sweep a quarter more. You pass through, both hands single circle, make a wave.

Boys trade and you spin that old top.

The boys move up, square through there pop,

Three hands around you're lookin' out, chase right

Swing the corner, promenade alright

Well, that's how country boys roll.

BREAK

Circle.

Well they work, work, work all week

'Till the job gets done.

Left allemande corner lady, turn your partner right.

And now the men star left you run.

Come on and turn your partner right and go left allemande.

Now swing, promenade on home.

Yeah, that's how country boys roll.

CLOSER

Circle.

Well they're singing in bars and soupin' up cars

Just to see how fast they go.

Left allemande corner lady, turn your partner right.

And now the men star left you run.

Come on and turn your partner right and go left allemande.

Now swing, promenade on home.

Yeah, that's how country boys roll.

Ladies chain across and chain her right back.
