

Aint't Back Yet (ESP 1141) Elmer Sheffield

OPENER

Circle Left

Well I heard a song about a ramblin' man.
Bought a guitar and I started a band.
Left Allemande turn your partner right
And now the men star left and roll it 'round tonight.
You turn your partner by the right hand 'round
Allemande the corner, Promenade around
I got a gig at a local Am Vet
I was gone, gone, and I ain't back, yet.

FIGURE

Heads Square Thru count 'em 4 hands round
You make a Right Hand Star
The Heads Star Left, roll it one time and then
Same pair and do a Dosado
Swing Thru and then the Boys Trade
Swing the corner lady round and Promenade
For the worse, or for the better
Well I was gone, gone, gone forever.

MIDDLE BREAK

Circle Left

'69 bored, out and all jacked up
A quarter mile that was all it was
Left Allemande turn your partner right
And now the men star left and roll it 'round tonight.
You turn your partner by the right hand 'round
Allemande the corner, Promenade around
I burned the cool off of that Corvette
And I was gone, gone and I ain't back yet.

CLOSER

Circle Left

She had a straight out of Hollywood smile
We missed it all by a country mile.
Left Allemande turn your partner right
And now the men star left and roll it 'round tonight.
You turn your partner by the right hand 'round
Allemande the corner, Promenade around
Went out one night for some cigarettes
And I was gone, gone and I ain't back, yet.

TAG

Gone, gone and I ain't back, yet.

Gone, gone, gone.
